P6A 2E5

## PRECAUTIONS

PREVENT ACCESS TO UNAUTHORIZED PERSONNEL.

Harmful or fatal if inhaled. Do not get in eyes, on skin, or on clothing. Do not breathe dust. Wear goggles or face shield, approved respirator (NIOSH/MSHA TC-23C-54 or equivalent), a chemical resistant suit (e.g. Tyvek), and rubber gloves when handling. Wash thoroughly with soap and water after handling and before eating, drinking or smoking. Remove contaminated clothing and wash before reuse.

### FIRST AID:

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Probable mucosal damage may contraindicate using gastric lavage. No specific antidote is available. Treat symptomatically. Avoid alcohol.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

**DIRECTIONS FOR USE:** To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*. Only for formulation as a sea lamprey larvicide for use in tributaries to the Great Lakes and Lake Champlain systems. Read Sea Lamprey Control Document No. SLC-92-001.3 [Standard Operating Procedures for Application of Lampricides in the Great Lakes Fishery Commission Integrated Management of Sea Lamprey (*Petromyzon marinus*) Control Program] for formulation details.

## STORAGE AND DISPOSAL

Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

**STORAGE:** Keep in original container during storage. Store in a cool, dry, well ventilated place away from seed, feed, fertilizers or other pesticides, preferably in a locked storage area.

**DECONTAMINATION AND DISPOSAL:** Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for cleanup of spills. Do not reuse container.
