DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide which is registered under the Pest Control Products Act. End users of this product who formulate pesticides are required to obtain registration for the specific pesticide use.

PRECAUTIONS

KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL

Corrosive. Causes irreversible eye damage. Harmful if inhaled. Harmful if swallowed or absorbed through skin. May cause skin sensitization reactions in certain individuals. Do not get in eyes or inhale dust. Wear goggles or face shield and dust mask while handling, mixing or loading. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID

If in eyes: Flush with plenty of water. Call a physician IMMEDIATELY.

If swallowed: Drink promptly a large quantity of milk, egg white, gelatin solution, or if these are not available, large quantities of water. Contact a physician or Poison Control Centre IMMEDIATELY.

Note to Physician: Probable mucosal damage may contraindicate use of gastric lavage.
If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists.
If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

STORAGE

Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, fertilizer, or other pesticides. Keep away from fire or open flame, or other sources of heat.

DECONTAMINATION and DISPOSAL

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and the clean-up of spills, contact the provincial regulatory agency or the Manufacturer.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
