#### ENVIRONMENTAL PRECAUTIONS

- TOXIC to aquatic organisms.
- **DO NOT** discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans, or other waters.

#### DIRECTIONS FOR USE

To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This product is to be used with appropriate solvents and/or carriers, and in the case of pressurized products, propellants, to produce an insecticide product.

Mix well in drum before sampling and each use.

**PRECAUTIONS:** KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL. Harmful if swallowed. May be harmful if inhaled. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. Wash with soap and warm water after use. Wash contaminated clothing with warm water and soap before reuse. Avoid contamination of food or feedstuffs. This product is toxic to fish. Do not apply directly to any body of water by cleaning of equipment or disposal of wastes.

**FIRST AID:** **In case of contact with eyes**, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **In case of contact with skin or clothing**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If ingested**, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat Symptomatically.

**STORAGE:** Store in a cool, dry place. Keep container closed.

**DISPOSAL:** Triple rinse container (or equivalent) and offer for recycling or reconditioning where available. Canadian formulators using this concentrate should dispose of unwanted concentrate and containers in accordance with municipal or provincial regulations. For additional details and information on the clean-up of spills, contact the provincial regulatory agency or the manufacturer.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

#### EMERGENCY TELEPHONE NUMBER:

In case of Medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers, information may be obtained by calling **1-888-740-8712**.
