DIRECTIONS FOR USE

TCMTB-60 is for use in manufacturing, formulating or repackaging. It is to be used only for the manufacture of industrial microbicides which are registered under the *Pest Control Products Act*.

Formulators are responsible for their own registrations under the *Pest Control Products Act*.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Harmful if swallowed or inhaled. Do not get in eyes, on skin or on clothing. Do not breathe the mists. Low concentration of airborne aerosols are likely to cause respiratory and skin irritation. When handling the concentrate, wear full face protection with cartridge respirator and impermeable gloves, aprons and boots. Use only in well ventilated area. Do not wear contact lenses.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If in eyes : Hold eye open and rinse slowly and gently with water for 15–20 minutes.

Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing : Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled : Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If ingested : Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

TOXICOLOGICAL INFORMATION: Note to physician: Probable mucosal damage following ingestion may contraindicate gastric lavage.

STORAGE

Store used product in a well ventilated secure area at temperatures between 10°C and 30°C. Do not freeze. **COMBUSTABLE:** Do not use, pour, spill or store near heat or open flame. **IN CASE OF FIRE:** Use dry chemicals, foam, waterfog or CO₂. Cool closed container with water. Emits toxic vapours during combustion.

DISPOSAL

Canadian manufacturers of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the provincial regulatory agency or the Manufacturer.
