**DIRECTIONS FOR USE:**

To optimize disinfection, surfaces and equipment should be cleaned with an appropriate cleaner or detergent in order to remove as much organic material as possible prior to disinfection. Do not apply **Virkon Greenhouse** directly to plants, seeds or soil.

Thoroughly wet surfaces to be disinfected with a 1% w/v solution of **Virkon Greenhouse**, using a mop, sponge, cloth, or by spraying or foaming, or using a pressure washer (250 - 300 mL per m<sup>2</sup>). A minimum contact time of 10 minutes is required (do not exceed 30 minutes for metal surfaces). Soak equipment or utensils in a 1% w/v solution of **Virkon Greenhouse** for a minimum of 10 minutes (do not exceed 30 minutes for metal objects).

*Fruit and Vegetable storage areas must be clean and emptied of all edible products before treatment.*

*Do not restock fruit and vegetable storage areas until treatment has been absorbed, set or dried.*

*All treated surfaces that will contact fruits or vegetables must be rinsed with potable water before contact.*

Surfaces or equipment that are in soft metal or that enter in contact with food must be rinsed with potable water after disinfection.

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

**PRECAUTIONS:**

KEEP OUT OF REACH OF CHILDREN. Corrosive to eyes and skin. DO NOT get in eyes or on skin. Handle in such a way as to minimise dust release. Do not mix with other chemicals. When mixing the solution, wear goggles and a face shield or safety glasses, coveralls over long-sleeved shirt and long pants, boots, chemical-resistant gloves during mixing, loading, application, and clean up and repair activities. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**ENVIRONMENTAL HAZARDS:**

DO NOT allow effluent or runoff from greenhouses containing this product to enter lakes, streams, ponds or other waters.

**FIRST AID INSTRUCTIONS:**

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:**

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**STORAGE:**

Store between 15° and 25° C in a dry place in a tightly sealed container. To prevent contamination store this product away from food or feed.

**DISPOSAL**

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
