(# 24074 SIDE PANEL)

This product contains a liquid bait which attracts ants that will then take it to their nests to feed larvae and queens. The whole colony is destroyed by SUPER ANT KILLER within several days.

DIRECTIONS FOR USE: Apply as a spot or crack and crevice application only. A spot application is an open, localized placement of bait in areas inaccessible to children and pets. Locations of treatment may include under sinks and under heavy appliances (e.g., fridge or stove). Crack and crevice is an application directly into narrow openings on the surface of the structure. It does not include the treatment of exposed surfaces. Narrow openings typically occur at expansion joints, utility entry points and along baseboards and mouldings.

INDOOR/OUTDOOR - Place drops on an impervious surface along the ant runs and in the cracks where ants are seen or at the entrance to the nest. ONLY A FEW DROPS ARE REQUIRED. Repeat application after rain.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND ANIMALS. May irritate eyes. Avoid contact with eyes. Potential skin sensitizer. Wash thoroughly after handling. DO NOT apply to surfaces that may come into contact with food/feed. DO NOT apply when people or pets are present.

FIRST AID: If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If swallowed,** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control product Registration number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Store this product away from food or feed.

DISPOSAL:

DO NOT reuse the empty containers. Dispose in household garbage.

Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.
