NOTICE TO USER: This pest control product is to be used only in accordance with the directions on this label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

DIRECTIONS FOR USE

To be used only in the manufacture of pesticides which are registered under the Pest Control Products Act. Detailed information on chemical and physical properties and other formulating recommendations for BAYTAN Technical Fungicide are available upon request from Bayer CropScience Inc. Obtain and read this information before undertaking the formulation of BAYTAN Technical Fungicide in order to avoid formulation hazards and ensure a satisfactory finished product.

Labelling for products formulated from this product must conform to the Pest Control Products Act. For specific information on registered uses, contact Bayer CropScience Inc. Formulators of end-use products are responsible for their own registrations under the Pest Control Products Act.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

May be fatal if swallowed, inhaled or absorbed through the skin. Do not breathe dust or allow to get in eyes, on skin, or on clothing. Do not contaminate feed or food.

Wash hands, arms and face thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before reuse.

SYMPTOMS OF POISONING: No specific symptoms. Acute poisoning is accompanied by general depression and illness.

FIRST AID

In case of poisoning, contact a physician or Poison Control Centre immediately. Have patient lie down and keep quiet. **If swallowed**, Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: ANTIDOTE: No specific antidote is available. Treat symptomatically.

STORAGE AND DISPOSAL

Store in a cool, dry place and in such a manner as to prevent cross contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of reach of children, preferably in a locked storage area.

Canadian manufacturers of this technical should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and the cleanup of spills, contact the provincial regulatory agency or the manufacturer.
