CONTAINER CAN BE HELD IN ANY POSITION, EVEN UPSIDE DOWN TO SPRAY INSECTS IN THE MOST DIFFICULT-TO-REACH AREAS SUCH AS THE UNDERSIDE BELLY OF THE HORSE.

DIRECTIONS FOR USE: SHAKE CAN WELL BEFORE USING. To protect horses from attacks of Flies, Mosquitoes, and Gnats. Remove mucous secretions from face of animal. Apply spray lightly to back, belly, ear & leg regions where the specific attacking insects feed. Avoid eyes, nose and mouth. Not to be used on newborn or nursing foals. Do not soak skin. Do not cover horses immediately after treating. Do not apply to back of animal prior to saddling. Repeat treatment daily, if necessary.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat or store at temperatures over 50°C. Do not use in presence of open flame or spark. Discontinue if dermal or nasal irritation develops. Do not contaminate feed or water troughs. Do not use on sick animals or animals under drug or pesticide treatment. Before using on pregnant animals consult a veterinarian. Do not use on horses intended for slaughter. Avoid inhalation of spray. Wash hands after use.

DISPOSAL: When container is empty, press valve to release pressure. Dispose of empty container in regular garbage. Do not puncture or incinerate.

FIRST AID: If sprayed in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

ENVIRONMENTAL HAZARD: Toxic to fish. Do not apply this product directly to aquatic habitats (such as lakes, rivers, sloughs, ponds, prairie potholes, creeks, marshes, streams, reservoirs, ditches and wetlands), estuaries or marine habitats. Do not contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.
