40mL

MUSKOL Insect Repellent Classic

Invented in 1951 by Col. T. Coll, an avid Canadian outdoorsman.
Also repels black flies, biting midges, deer flies, stable flies, ticks and chiggers.

DIRECTIONS FOR USE: Apply sparingly not under clothing and only when necessary. To apply to face, put in hands and apply avoiding eyes and mouth. Reapply after 8 hours if necessary. Wash or wipe palms after applying.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not use on children under 12 years of age. Do not take internally. Discontinue use if signs of irritation or rash appear. May damage furniture finishes, plastic, painted surfaces and synthetic fabrics. Keep away from open flame or spark. Avoid contact with eyes and mouth.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. If ingested: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse empty container. Wrap and dispose with household garbage.
