**BTC 885 IS A CATIONIC GERMICIDE
DO NOT MIX WITH SOAP OR OTHER ANIONIC MATERIALS.**

DIRECTIONS FOR USE:

To be used only in the manufacture of a microbiocide which is registered under the Pest Control

PRECAUTIONS:

DANGER-CORROSIVE. PREVENT ACCES BY UNAUTHORIZED PERSONNEL.

Causes severe eye and skin damage. Do not get in eyes, skin or clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Harmful or fatal if absorbed through skin. Avoid contamination of food. Wash thoroughly with soap and water after handling.

FIRST AID:

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor or further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed. Avoid alcohol.

PHYSICAL OR CHEMICAL HAZARDS:

Do not use or store near heat or open flame.

STORAGE:

DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE OR DISPOSAL.

STORAGE: Store in a dry place at temperatures not lower than (10°C) or higher than (50°C).

DISPOSAL:

Canadian formulators of this product should dispose of unwanted active ingredient and containers in accordance with municipal and provincial regulations. For additional details and clean up of spills, contact the Provincial Regulatory Agency or the manufacturer.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
