DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS:

1) KEEP OUT OF REACH OF CHILDREN AND PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. 2) May be harmful if swallowed. 3) Avoid contact with skin, eyes and clothing. 4) Wash concentrate from skin or eyes immediately. 5) Avoid working in spray mist or vapors. 6) After use, wash hands and other exposed skin before eating, drinking and smoking. 7) Contaminated clothing should be thoroughly laundered before reuse.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

This product has low toxicity via oral, dermal and respiratory routes. It is also mildly irritating to eyes and skin. No specific antidote is known. Apply symptomatic therapy.

STORAGE:

Store in tightly closed containers and prevent from contacting feeds, fertilizers, plants, seeds and foodstuffs. Insecticides and fungicides should be segregated so as to prevent the possibility of cross-contamination.

DECONTAMINATION AND DISPOSAL:

Canadian manufacturers using this technical should dispose of unwanted active ingredient in containers in accordance with municipal or provincial regulations. For additional details and the cleanup of spills, contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information.
