## **PRECAUTIONS**

### **DANGER – CORROSIVE TO EYES**

### **HARMFUL IF ABSORBED THROUGH SKIN OR INHALED**

### **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

DO NOT get in eyes, on skin or clothing. Wear goggles or face shield and rubber gloves when handling. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

## **FIRST AID**

**Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

## **TOXICOLOGICAL INFORMATION**

No specific antidote. Supportive care. Treatment based on the judgment of the physician in response to reactions of the patient.

## **AGRICULTURAL CHEMICAL**

Do not ship or store with food, feeds, drugs or clothing.

## **ENVIRONMENTAL HAZARDS**

Do not allow this material or waste water or solvent which contains it to discharge into lakes, streams, ponds, public waters or sewers.

## **STORAGE**

Do not contaminate water, food, feed or fertilizer during storage.

## **DISPOSAL/DECONTAMINATION**

Canadian formulators of this product should dispose of unwanted material and containers in accordance with the provincial regulations. For additional details and information on clean-up of spills contact the provincial regulatory agency or the manufacturer.

## **DIRECTIONS FOR USE**

To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT. Because of their properties and intended uses, formulations containing Lontrel F Technical Herbicide may require precautionary labeling differing from that given. Formulators should develop their own use and precautionary labeling based on the properties and intended uses of their own finished formulations and in accordance with all pertinent laws and regulations.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
