PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

DO NOT CONTAMINATE FOOD OR FEED PRODUCTS.

Causes eye irritation. DO NOT get in eyes

Avoid breathing dust.

Wash thoroughly with soap and water after handling.

Remove contaminated clothing and wash before re-use.

FIRST AID

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

General: Never give anything by mouth to an unconscious person. Remove victim to a safe and uncontaminated area. Seek medical attention immediately if irritation persists or is severe.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

Note to physician: There is no specific antidote. Treatment of overexposure should be directed at the control of symptoms and the clinical condition.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

DIRECTIONS FOR USE

To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*.

STORAGE

DO NOT contaminate water, food and feed by storage or disposal.

Keep container tightly closed.

DISPOSAL

Pesticide that cannot be used according to label instructions must be disposed of according to local/provincial recommendations.

Completely empty container by shaking and tapping sides and bottom to loosen clinging particles.

Empty residue into formulation equipment.

For final disposal of the liner and container, follow local/provincial recommendations.

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
