DIRECTIONS FOR USE:

1. Initial Dosage for a freshly-filled pool having no visible algae growth: Add 60 to 80 ml of FOXXX® Algaezone Plus per 10,000L of pool water. 2. Initial Dosage for a pool having visible algae growth: Add 150 ml of FOXXX® Algaezone Plus per 10,000 L of pool water. Brush pool surface to remove any clinging dead algae. Vacuum pool to waste to remove any dead algae which has settled. 3. Maintenance Dosage of 30 to 50 ml of FOXXX® Algaezone Plus per 10,000 L of pool water is to be added weekly, following initial dosage, to keep pool free of algae growth.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Do not mix with any other chemical. Avoid Contact with skin and eyes.

FIRST AID:

In case of skin or clothing contact, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If product gets in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If product is swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

DISPOSAL:

Rinse container thoroughly before discarding. Do not reuse. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the provincial regulatory agency or the manufacturer.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water, food, or feed by storage or disposal.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

The user assumes the risk to persons or property that arises from any such use of this product.

WARNING:

Staining of pool surfaces may occur due to the deposit of copper salts in contact with chlorine oxidizer.

Excessive levels of copper will increase the probability of this occurrence.
