PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN

DO NOT REMOVE UNIT HOUSING

CORROSIVE. Causes eye and skin damage. Do not get in eyes, on skin or clothing. Harmful or fatal if swallowed. Avoid contamination of food. Wear chemical-resistant gloves, goggles or a face shield, long pants, a long-sleeved shirt and shoes when handling this concentrate. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. DO NOT discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. The requirements of applicable laws should be determined before using the product.

FIRST AID:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Probable mucosal damage may contraindicate the use of gastric lavage. Treat symptomatically.

DIRECTIONS FOR USE

Small unit: For equipment up to 60,000 BTU.

Large unit: For equipment over 60,000 BTU and up to 180,000 BTU.

Note: For larger equipment use multiple units.

1. Clean condensate pan and drain before installing unit.
2. Place unit in pan, pan side down.
3. In pans with drain connections, place unit under the cooling coil in the middle of pan length.
4. Unit must be in contact with condensate.

This unit is designed and approved only for use in drain pans of Air Conditioning systems and non-food Refrigeration Systems.

SUPPRESSES: Growth of slime forming bacteria which is the major cause of drain blockages.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

STORAGE AND DISPOSAL

STORAGE: Store in a dry place no lower in temperature than 10°C or higher than 48°C. Avoid heat, sunlight, friction, contaminating substances (especially anionics), shock and crushing. DO NOT STORE WITH / NEAR FOOD OR FEED.

DISPOSAL: Rinse the plastic housings thoroughly. Follow provincial instructions for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of container in accordance with provincial requirements.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information.
