DIRECTIONS FOR USE

To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This product is to be used with appropriate solvents and or carriers, and in the case of pressurized products, propellents, to produce an insecticide product.

Warm gently to liquefy and mix well in drum before sampling and each use.

PRECAUTIONS: KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL. Harmful if swallowed or absorbed through skin. Contains petroleum distillate. Do not induce vomiting because of aspiration pneumonia hazard. Do not breathe vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food and feedstuffs. Do not use or store near heat or open flame.

ENVIRONMENTAL PRECAUTIONS: TOXIC to aquatic organisms. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

FIRST AID: In case of contact with eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. In case of contact with skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically. Contains petroleum distillate.

STORAGE: Store in a cool, dry place. Keep container closed.

DISPOSAL & DECONTAMINATION: Triple rinse (or equivalent) and offer for recycling or reconditioning where available. Canadian formulators using this intermediate should dispose of unwanted intermediate and containers in accordance with municipal or provincial regulations. For additional details and information on the cleanup of spills, contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

For information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.
