24 HOUR EMERGENCY RESPONSE NUMBER 1-800-424-9300

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT.

LIMITATION:

Do not apply directly as is to crops.

PRECAUTIONS:

Prevent access by unauthorized personnel. Harmful if swallowed. May cause skin and eye irritation. Avoid contact with skin, eyes and clothing. Wear protective goggles and gloves when handling. Wash hands and exposed skin thoroughly after handling.

STORAGE:

Keep in original container during storage. Store product in cool, dry, well-ventilated place away from seed, fertilizer or other pesticides. Keep away from fire or open flame, or other sources of heat.

FIRST AID:

If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

High concentrations of MCPA may cause severe irritation to the eyes. Symptoms of overexposure to MCPA could include slurred speech, twitching, jerking and spasms, drooling, low-blood pressure and unconsciousness. Treat symptomatically.

DECONTAMINATION AND DISPOSAL:

For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust or sand. Wash spill area with detergent solution.

Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

If involved in fire, use water, fog, foam CO₂ or a dry chemical extinguishing media. Noxious fumes may be produced under fire conditions; wear self-contained breathing apparatus. Prevent water used in fire fighting from entering public water supplies.

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean

up of spills.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
