PRECAUTIONS

DANGER KEEP OUT OF REACH OF CHILDREN UNAUTHORIZED PERSONNEL

Harmful or fatal if swallowed, inhaled, or absorbed through the skin. Corrosive to eyes and skin. Repeated exposure to this product may cause skin sensitization. Avoid contact with eyes, skin, clothing and the contamination of food. Do not inhale. Wear body-protective clothing, chemical-resistant gloves, full-face protection (eg. Faceshield), and safety shoes when handling. Wear a cartridge respirator if the area is not well ventilated and during clean-up, maintenance and repair activities. Wash hands and face before eating, drinking, smoking, and using the toilet. **Keep away from open flame**. Keep the container closed when not in use.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

Eye exposure: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Skin or clothing exposure: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

Inhalation: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Ingestion: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

TOXICOLOGICAL INFORMATION: Note to physician: Probable mucosal damage following ingestion may contraindicate gastric lavage.

DISPOSAL

Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

- 1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank treatement site.
- 2. Make the empty, rinsed container unsuitable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial requirements. For information on disposal of unused, unwanted product, contact the manufacturer or the Provincial Regulatory Agency. Contact the manufacturer and the Provincial Regulatory Agency in case of a spill, and for clean-up of spills.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
