- 3) **CORROSIVE** to the eye and skin. **DO NOT** get in eyes, on skin and clothing.
- 4) May be fatal if swallowed.
- 5) Do not re-enter treated area until two hours after spray or fogging application.
- 6) Wear goggles or a face shield, chemical-resistant gloves, long pants, a long sleeved shirt, shoes and socks when handling this product.
- 7) Immediately remove contaminated clothing and wash before reuse.
- 8) Harmful if inhaled. Avoid breathing vapor or mist; use with adequate ventilation.
- 9) Wash thoroughly after handling.
- 10) Avoid contamination of food.
- 11) Keep container closed and store in upright position in a cool dark location.
- 12) This product is not affected by freezing.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: call a poison control center or doctor **IMMEDIATELY** for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Signs or symptoms of overexposure: difficulty breathing, irritation of the airways, nausea, vomiting, irritation or burns on skin or eyes. Administer symptomatic treatment.

STORAGE

Keep container tightly closed. Store in a cool, dry place away from light, sun rays and any source of heat to avoid deterioration of the product and away from food or feed. Freezing does not affect the product.

DISPOSAL

- 1) Triple or pressure-rinse the empty container. Add the rinsing to the treatment site.
- 2) Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
- 3) Make the empty container unsuitable for further use.
- 4) Dispose of the container in accordance with provincial requirements.
- 5) For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for the clean-up of spills.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic organisms. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans, or other waters. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. The requirements of applicable laws should be determined before using the product.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
