WARNING
FLAMMABLE
EXPLOSIVE

Net contents 185g

This insecticide is for use only in an automatic aerosol dispenser (Cam Spring Action type), which releases 55 mg of insecticide every 15 minutes. The continuous use of this insecticide will reduce flying insect population (flies, mosquitoes and gnats) within a few hours. One can protect a room up to 170 cubic meters for up to 30 days

USE AREAS: Restaurants, Food Plants, Hospitals, Food Service Establishments, Lodges, Resorts, Dairies, Horse Stables, Cow Barns and Poultry Houses while they are in operation. Also for use in Meat processing Plants when not in operation. Use area must have at least 170 cubic meters of free flow air space

DIRECTIONS: Dispenser must be located 2-3 meters above the floor at a point where air circulation will carry particles throughout the area. Do not install directly over food or food packaging surfaces. To install can, remove protective cap and insert into dispenser.

PRECAUTION: In meat packaging plants, only spray when plant is not in operation. No exposed meat products, ingredients or packaging materials to be left in the room. Any treated surface that may contact meat food products should be washed and rinsed thoroughly with potable water after spraying and before re-use.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN.

Contents under pressure. Container may explode if heated. Do not expose to temperatures above 50°C. Do not puncture or incinerate. Do not contaminate food, feed or water. Do not spray over milk or milking equipment. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic or varnished surfaces. Do not use in nurseries or rooms where infants, ill or aged persons are confined.

DISPOSAL:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

FIRST AID: In case of contact with eyes or skin, flush with water. If irritation persists, seek medical attention. If accidentally swallowed, seek medical attention or call a Poison Control centre at once. Take container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
