**Danger - Corrosive to Eyes, skin Irritant, Potential Dermal Sensitizer.
DIRECTIONS FOR USE**

To be used only in the manufacture of a pest control product solely for export from Canada.

To convert fabrics in circular pieces of various sizes (called
Tex'R GEODISCS)
(See attached list of sizes).

PRECAUTIONS

**DO NOT get in eyes, may irritate the skin, potential skin
sensitizer**

This fabric has been treated with copper (cupric hydroxide).
Those handling the treated fabric must wear personal
protective equipment including a long-sleeved shirt, long
pants, chemical resistant gloves and protective eyewear at all
times. If there is dust contamination in the air as a result
of cutting and sewing the fabric, respiratory protection must
be worn.
Use a dust removal suction system when cutting.

Wash hands after use.

FIRST AID

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. In case of accidental poisoning, get medical attention or contact poison centre IMMEDIATELY. **TOXICOLOGICAL INFORMATION : Treat symptomatically.**

DISPOSAL

Fabric trims from cutting have to be disposed according to provincial rules either in a landfill accepting solid waste or an incinerator. This product contains copper, which is toxic to fish and aquatic organisms. Do not dispose of any portions of this product into water bodies such as lakes, streams, ponds, rivers, estuaries, oceans and other water bodies

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

TEX-R®-GEODISC™ Applications: Disc for containers
