Lot No.

Should be used within 12 months of date of manufacture

Date of Manufacture:

DIRECTIONS FOR USE: To be used only in the manufacture of a pesticide that is registered under the Pest Control Products Act.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. May cause sensitization. May irritate eyes. Avoid contact with skin, eyes and clothing. Avoid breathing dust. Workers and handlers must wear a long sleeved shirt, long pants, shoes plus socks, waterproof gloves and eye goggles as well as a NIOSH approved dust filtering respirator or NIOSH approved dust filtering mask when mixing/loading and during all clean-up/repair activities. Wash thoroughly with soap and water after handling. Remove contaminated clothing and follow manufacturer's directions for cleaning/maintaining personnel protective equipment (PPE) before use. If no such instructions are available use clothing detergent and hot water for cleaning all washable PPE. Keep and wash PPE separately from other laundry. Wash hands after use. **DO NOT** store product near food or feed.

ENVIRONMENTAL PRECAUTIONS:

Do not contaminate any body of water or groundwater when disposing of equipment wash water. Do not apply directly to water or to areas where surface water is present.

FIRST AID:

If swallowed

Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE:

Store in a secure dry place at temperatures between 2°C and 5°C. **DO NOT** contaminate water, food, or feed during storage. Keep product in original container during storage and keep container tightly closed when not in use. This product should be used within 12 months of the date of manufacture when stored under refrigerated conditions.

DISPOSAL/DECONTAMINATION

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
