PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Avoid breathing dust or vapours. Do not get in eyes or skin. Do not take internally.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION

No specific antidote. Employ supportive care. Treatment should be based on judgment of the physician in response to reactions of the patient. Note to Physician: If swallowed, careful evacuation of the stomach is advisable.

AGRICULTURAL CHEMICAL

Do not ship or store with food, feeds, drugs or clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Use this product only as specified on this label. Do not contaminate water by cleaning of equipment or disposal of wastes.

NOTE: Do not discharge into lakes, streams, ponds, or public waters.

STORAGE

Keep in original container during storage. Store in a cool, dry, well ventilated place away from seed, feed, fertilizers, other pesticides or drinking water. Store out of direct sunlight. The minimum recommended storage temperature for this material is 0°C. The maximum recommended storage temperature for this material is 50°C. Store in a dry area.

DISPOSAL

Canadian formulators of this product should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

DIRECTIONS FOR USE

TO BE USED ONLY IN THE MANUFACTURING, FORMULATING, OR REPACKAGING OF A HERBICIDE WHICH IS REGISTERED UNDER THE PEST CONTROL PRODUCTS ACT

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
