This product uses mineral deposits of diatoms, which have been found useful in reducing crawling insect pest populations in and around the home. The patented manufacturing process of this product contains two food grade additives, one of which attracts crawling insects while the other is a digestive ingredient. When applied directly, crawling insects are usually killed within 48 hours from cutting action. This fine, odourless powder will not stain and can be used safely when used according to the label directions.

DIRECTIONS: This dust is effective in controlling many crawling pests such as: ants, bed bugs, cockroaches, crickets, earwigs, fleas, silverfish and sowbugs. Direct application to insects is preferred. Apply by lightly coating or dusting area where insect pests are found or hide such as in cracks and crevices, under cabinets, etc. Bed bugs: Disassemble beds and dust frames, joints, mattresses, tufts and seams, floors and baseboards. Product will remain effective as long as it is present.

Application rate: Lightly coat desired area. Suggested rate is 50 g per 10 m² (1 oz. per 65 sq. ft.).

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid breathing dust. Do not use as a space spray. Avoid contact with eyes.

FIRST AID: If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If irritation persists, seek medical attention. **If inhaled,** move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse empty container. Discard empty container in household garbage.

For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806. www.wilsoncontrol.com
