Western Family™

Cat Litter Non-Clumping, for Multiple-Cats

Western Family™ Cat Litter Non-Clumping, for Multiple-Cats is created from a blend of Canadian clays.

Western Family™ Cat Litter Non-Clumping, for Multiple-Cats contains a moisture-activated scented agent for added freshness and an anti-bacterial agent that combats the growth of bacteria.

PRECAUTIONS:

Pregnant or nursing women and people with a suppressed immune system should note that a parasite found in cat feces can cause toxoplasmosis. They should exercise caution and consult a physician before handling a litter box. Always wash hands thoroughly after preparing or cleaning the litter box. For further information, consult your local public health office.

DIRECTIONS FOR USE:

1. Fill a clean, dry litter box with approximately 6 - 8 cm (2 - 3 inches) of Western Family™ Cat Litter Non-Clumping, for Multiple-Cats.
2. Shake box to level litter.
3. Remove solid waste daily to improve sanitation and enhance your pet's comfort.
4. Completely empty and wash litter box monthly or as required.

DISPOSAL:

Dispose of used and unused cat litter and packaging in accordance with local regulations.

WARNING:

Do not flush cat litter in toilets or dispose of it outdoors in gutters or storm drains, or any other waste water system. Keep the litter away from food preparation.

TOXICOLOGICAL INFORMATION

Treat symptomatically.
