DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide registered under the Pest Control Products Act. Formulators are responsible for their own registrations under the Pest Control Products Act.

PRECAUTIONS: KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL.

DANGER - POISON. Cause skin and eye irritation. Wear goggles, face shields, or safety glasses, rubber or plastic gloves and appropriate covering clothing when applying this product. Use a cartridge respirator for the job conditions, e.g. poorly ventilated areas. Remove contaminated clothing and wash before reuse. Prolonged or repeated skin contact may cause allergic reactions in some individuals. **POTENTIAL SKIN SENSITIZER**, do not get in eyes, on skin, or on clothing. Harmful if swallowed or inhaled. Avoid breathing vapors or sprays mist. Wash thoroughly with soap and water after handling, and before eating or smoking. Keep out of reach of children and animals.

FIRST AID:

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Products Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

This product contains petroleum distillate and copper naphthenate. Treat as for ingestion of kerosene.

ENVIRONMENTAL HAZARDS

Do not contaminate bodies of water. This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority.

STORAGE

Store at temperature between -17 degrees C and 48.8 degrees C. Store in original container only. Keep container closed when not in use. **FLAMMABLE.** Do not use or store near open flame or sparks, or in areas subject to excessive heat.

DISPOSAL

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal and provincial regulations.

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
