DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING: Hold can upright at least 120 cm from all objects and aim nozzle away from person. Press button firmly to spray.

INDOOR USE:

Crawling Insects: Cockroaches, Ants, Spiders, Silverfish, Crickets, Centipedes & Carpet Beetles. Spray THOROUGHLY into hiding places such as cracks, crevices, openings around sinks, drains and pipes, under refrigerators, baseboards, moist areas, behind cabinets and storage areas.

Ants: Spray ant trails, around door sills, window frames, or in ant nests. Insects must be hit to be killed.

Bed Bugs: Spray mattress lightly, particularly around seams and tufts. Take beds apart, spray bed frame and springs including all joints. Repeat as required.

Control Fleas & Brown Dog Ticks: Spray infested areas such as pet's bed and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames, and localized areas of floor and floor coverings where these pests may be present. Remove old bedding after treatment. Insects must be contacted to be killed.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Contents are under pressure. Do not place in hot water or near radiators, stoves or other sources of heat, or store at temperatures above 50°C. Cover fish bowls and remove pets for one hour when spraying rooms. In homes or dwelling, remove or cover all exposed foods and cooking utensils before spraying. Avoid contact with skin, eyes, and clothing. Avoid inhalation of spray. Wash after using. Keep from freezing. Do not use on maiden-hair ferns.

DISPOSAL:

When container is empty, press button to release all pressure then dispose in household garbage. Do not puncture or incinerate.

FIRST AID:

If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.
