RESPONSE NUMBER 1-800-334-7577 (24 HOURS A DAY)**

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

DIRECTIONS FOR USE:

COMPAS Grass Adjuvant is only to be used in a tank-mix with the postemergence herbicide **COMPAS Grass Herbicide** for control of grass weeds, volunteer cereals and quackgrass in canola, flax (including low linolenic acid varieties), field peas, lentils, Desi and Kabuli chickpeas, potatoes, oriental (brown) mustard (condiment and oilseed types), yellow mustard, soybeans, seedling alfalfa and sunflowers. **COMPAS Grass Adjuvant** is to be used at 0.5% v/v - 1.0% v/v with the recommended rate of **COMPAS Grass Herbicide** as specified on the product label.

PRECAUTIONS:

WARNING: Causes severe eye and skin irritation. **KEEP OUT OF REACH OF CHILDREN.** Avoid contact with skin, eyes and clothing. Wear long sleeved shirt, long pants during all activities and goggles, face shield and chemical resistant gloves during mixing, loading, clean up and repair activities. Wash concentrate from skin or eyes immediately. Avoid breathing vapours or spray mist. Avoid working in spray mist. After use, wash hands and other exposed skin thoroughly. Store the container tightly closed away from seeds, fertilizer, plants and foodstuffs. Avoid contamination of ponds, streams, rivers and other water sources.

If this pest control product is to be used on a commodity that may be exported to the U.S. and you require information on acceptable residue levels in the U.S., visit CropLife Canada's web site at: www.croplife.ca.

FIRST AID: Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE AND DISPOSAL

STORAGE: May be stored at any temperature.

DISPOSAL:

Recyclable Container Disposal: Do not reuse this container for any purpose.

This is a recyclable container, and is to be disposed of at a container collection site.

Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unsuitable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial requirements.

Disposal of Unused, Unwanted Product: For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.
