DIRECTIONS: Repels mosquitoes for 3 hours. Also repels black flies, biting midges, deer flies, stable flies, ticks and chiggers. Apply sparingly not under clothing and only when necessary. Reapply after 3 hours if necessary. Hold container upright and spray clothing and exposed skin, except face. **TO APPLY TO FACE:** Spray hands and apply avoiding eyes and mouth. Do not spray in enclosed spaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. CONTENTS UNDER PRESSURE. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container or store at temperatures over 50°C. Do not spray near open flame or spark, or while smoking. Do not contaminate food, utensils or any body of water. Supervise applications on children. Do not use on infants under 6 months of age. In 6 month to 2 year olds, do not apply more than once a day. Not for daily use. Avoid application to children's hands. In 2-12 year olds, do not apply more than 3 times per day. Avoid contact with eyes and mouth, plastics and fabrics such as acetate, rayon and dynel. May damage furniture finish, plastics and painted surfaces.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.

DISPOSAL: When container is empty, press button to release all pressure then dispose in household garbage.
