DIRECTIONS FOR USE:

THOR Acticide B20 Microbiocide Liquid is an effective in-can preservative in the following aqueous compositions. Application ranges of use concentrations based on the total weight of product are as follows:

Use	Amount of THOR Acticide B20 Microbiocide Liquid based on total weight of product
Latex emulsions	0.03 - 0.075%
Aqueous based paints	0.03 - 0.25%
Aqueous mineral slurries	0.04 - 0.25%

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN.

DANGER CORROSIVE TO EYES AND CAUSES SKIN BURNS. MAY CAUSE ALLERGIC SKIN REACTION. MAY BE FATAL IF SWALLOWED, ABSORBED THROUGH THE SKIN OR INHALED.

Do not get in eyes, on skin or on clothing. Wear goggles or face shield and a long-sleeved shirt, long pants and chemical-resistant gloves when handling this product.

Avoid breathing spray mist. Do not take internally. Wash thoroughly after handling.

ENVIRONMENTAL HAZARD:

This product is toxic to fish and wildlife. Do not discharge the effluents containing this product into lakes, streams, ponds, rivers, estuaries, oceans, or public waters. Treat the effluents in a Waste Water Treatment System before release. Do not contaminate these waters by direct application of the product, cleaning of the container and equipment or disposal of wastes.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be required.

STORAGE:

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

DISPOSAL:

Do not reuse this container for any purpose. For disposal this empty container may be returned to the point of purchase (distributor/dealer). For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
