Building A, 2<sup>nd</sup> Floor  
Mississauga, Ontario L4W 0B6

Tel. No. (289) 360-1300

## **DIRECTIONS FOR USE**

To be used only in the manufacture of a fungicide which is registered under the *Pest Control Products Act*.

## **LIMITATIONS**

Do not apply directly as is to crops; for formulation only.

## **PRECAUTIONS**

1. **KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL.**
2. Do not inhale vapours. May be fatal if inhaled.
3. Causes skin irritation. **DO NOT** get on skin.
4. Wash well after handling and before eating, drinking and/or smoking. Wash contaminated clothing with soap and hot water before re-use. Do not wear contaminated shoes.

## **FIRST AID**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

The patient should be treated symptomatically.

## **STORAGE**

1. Keep in original container during storage.
2. Store product in cool, dry, well ventilated place away from seed, fertilizer or other pesticides.
3. Keep away from heat or open flame or other sources of heat.

## **DISPOSAL AND DECONTAMINATION**

For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust or sand. Wash spill area with a detergent solution.

If involved in fire, use water, foam, CO<sub>2</sub> or a dry chemical extinguishing media. Noxious fumes may be produced under fire conditions; wear self-contained breathing apparatus. Prevent water used in fire fighting from entering public water supplies.

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on clean-up of spills, contact the provincial regulatory agency or the manufacturer.

This product is toxic to aquatic invertebrates, fish and aquatic plants. Do not contaminate aquatic areas (streams, lakes, ponds, rivers, tidal marshes and estuaries) through spray drift, cleaning of equipment or disposal of waste.

## **NOTICE TO USER**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
