## **PRECAUTIONS**

### **HARMFUL IF SWALLOWED**

### **DANGER - EYE IRRITANT**

### **MAY CAUSE SKIN IRRITATION**

### **AVOID INHALATION**

### **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

Do not get in eyes, on skin or on clothing. Wear impervious gloves and chemical worker's goggles when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Discard contaminated leather articles.

## **FIRST AID**

**Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

## **TOXICOLOGICAL INFORMATION**

If burn is present, treat as any thermal burn after decontamination. No specific antidote. Employ supportive care. Treatment should be based on judgment of the physician in response to reactions of the patient. High concentrations of MCPA may cause severe irritation to the eyes. Symptoms of overexposure to MCPA could include slurred speech, twitching, jerking and spasms, drooling, low blood pressure and unconsciousness. Treat symptomatically.

## **AGRICULTURAL CHEMICAL**

Do not ship or store with food, feeds, drugs or clothing.

## **ENVIRONMENTAL HAZARD**

This product is toxic to fish and other aquatic organisms. Do not contaminate water by cleaning of equipment or disposal of wastes. This product is also toxic to terrestrial plants.

## **STORAGE**

Keep in original container during storage. Store in a cool, dry, well ventilated place away from seed, feed, fertilizer or other pesticides. Do not contaminate water, food or feed by storage or disposal. Do NOT store in freezing temperatures. If allowed to freeze, remix before using.

## **DISPOSAL**

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

## **DIRECTIONS FOR USE**

To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*.

Formulations made from this manufacturer's concentrate containing MCPA may require precautionary labelling differing from that given. Formulators should develop their own use and precautionary labelling based on the properties and intended uses of their own finished formulations and in accordance with all pertinent laws and regulations.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
