**DIRECTIONS FOR USE**

To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*.

**PRECAUTIONS**

**KEEP OUT OF REACH OF CHILDREN AND PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.** Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating and smoking. Wear longsleeved shirt and long pants, socks, shoes and waterproof gloves. Do not contaminate water, food, or feed by storage or disposal.

**ENVIRONMENTAL AND USE PRECAUTIONS**

Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans and public waters. Spilled material should be soaked up with absorbent material and disposed in approved manner. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance consult the Provincial Regulatory Agency or the Manufacturer. **TOXIC** to non-target terrestrial plants. **TOXIC** to aquatic organisms.

**FIRST AID**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have

person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

### **TOXICOLOGICAL INFORMATION**

Treat symptomatically. There is no specific antidote. Employ supportive care. Treatment is based on judgment of the physician in response to reactions of the patient.

### **AGRICULTURAL CHEMICAL**

Do not ship or store with food, feeds, drugs or clothing.

### **STORAGE**

Store in original container in secured dry storage area. Prevent cross-contamination with other pesticides and fertilizer. Do not store above 38° C (100° F) for extended periods of time. If container is damaged or spill occurs, use product immediately or dispose of product and damaged container as indicated below.

### **DISPOSAL**

. Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
