DIRECTIONS FOR USE:

To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This product is to be used with appropriate solvents and or carriers, and in the case of pressurized products, propellants, to produce insecticide product.

Mix well in drum before sampling and each use.

PRECAUTIONS:

KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL. Harmful or fatal if swallowed or inhaled. Causes moderate eye irritation. Do not breathe the vapor and avoid getting on skin or in eyes. Wear a mask or pesticide respirator when working with this material. Wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and

before eating or smoking. This product is toxic to fish. Do not contaminate any body of water by cleaning of equipment or disposal of wastes. Do not use or store near heat or open flame.

FIRST AID:

In case of contact on skin or clothing take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If ingested call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE:

Store in a cool, dry place. Keep container closed.

DISPOSAL:

Triple or pressure rinse the empty container. Add the rinsings to the spray mixture in the tank. Follow provincial instruction for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
