PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Causes irreversible eye damage. DO NOT get in eyes. Causes skin irritation. DO NOT get on skin or on clothing. Harmful if swallowed or absorbed through skin. Maybe be fatal if inhaled. DO NOT breathe vapour or spray mist. Provide adequate ventilation. Wear a full face respirator OR goggles and a half-mask respirator with a NIOSH/MSHA/BHSE approved organic-vapour-removing cartridge with a prefilter approved for pesticides OR a NIOSH/MSHA/BHSE approved canister approved for pesticides, a long-sleeved shirt and long pants and chemical resistant gloves during mixing, loading, application, clean-up and repair. Remove contaminated clothing and wash before reuse.

DIRECTIONS FOR USE:

Fungitrol® 440MC Fungicide is sold for industrial use only. Formulators are responsible for their own registration. To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

USE LIMITATIONS:

Do not use Fungitrol® 440MC Fungicide treated wood and paper/paperboard for the construction of food handling containers or surfaces with direct food contact.

FIRST AID:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

ENVIRONMENTAL HAZARDS:

This product contains an active ingredient and aromatic petroleum distillates which are toxic to aquatic organisms.

TOXICOLOGICAL INFORMATION: Treat symptomatically. Contains a petroleum distillate-vomiting may cause aspiration pneumonia.

STORAGE:

Store in a dry place. Do not contaminate water, food or feed by storage or disposal.

Disposal:

Canadian manufacturers should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

NOTE: This product contains a petroleum distillate as an inert ingredient.
