PRECAUTIONS:

Corrosive to eyes and skin. Do not get in eyes, on skin, or on clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Harmful if swallowed or inhaled. Avoid inhaling vapors or mist. Use only in well ventilated areas. Do not wear contact lenses. When handling the concentrate, wear full face protection with cartridge respirator and chemical resistant gloves, apron, cap and boots.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing : Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Probable mucosal damage may contraindicate the use of gastric lavage.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

STORAGE AND HANDLING:

Do not store at temperatures below 0°C (32°F) and above 32°C (90°F). Store drums in a tightly closed and upright position. Do not reuse empty drums. Dispose of in accordance with federal and local requirements.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

ENVIRONMENTAL PRECAUTIONS: **TOXIC** to aquatic organisms. **DO NOT** discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

DIRECTIONS FOR USE:

Omacide® IPBC 100 Technical Powder Fungicide is sold for use in manufacturing formulations registered under the Pest Control Products Act. Formulators are responsible for their own registration of the formulated pest control products.
