DIRECTIONS FOR USE

Open package and remove single towelette. Immediately unfold Towelette and wipe a thin uniform film over all exposed skin. Apply sparingly not under clothing and only when necessary. Reapply after 6 hours if necessary. Repels mosquitoes for six hours. Also repels black flies, biting midges, deer flies, stable flies, ticks and chiggers. Use just enough repellent to cover exposed skin and clothing. For ticks and chiggers apply to shoe tops, socks and areas around openings in clothing. Do not use under clothing. Avoid over exposure. Frequent re-application is not necessary for the product to work effectively. After returning indoors wash treated skin and clothing with soap and water.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. DO NOT USE ON CHILDREN UNDER 12 YEARS OF AGE.
AVOID CONTACT WITH EYES AND MOUTH. Harmful if swallowed. For external use only. Use of this product may cause skin irritation in rare cases. Do not apply over cuts, wounds or irritated skin. Avoid contact with plastics such as eyeglass frames, lenses, fishing line and fabrics such as rayon, dnyel or spandex. Will not damage cotton, wool or nylon. May damage some paint or lacquered surfaces.

FIRST AID

If in eyes, remove contact lenses, and flush with water for 15 minutes. If irritation or other adverse effects develop wash with soap and water **IMMEDIATELY.** Seek medical attention if symptoms persist. Always take container label with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

DISPOSAL

Do not reuse empty container. Dispose of unused towelette and dispenser container in household garbage.
