**DIRECTIONS FOR USE:**

To be used only in the manufacture of an industrial microbiocide or preservative which is registered under the PEST CONTROL PRODUCTS ACT.

For use in formulating industrial microbiocides and preservatives.

Formulators are responsible for providing data to support the registration of products formulated from this active ingredient.

**PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

- Corrosive to the eyes and causes skin irritation. Do not get in eyes, on skin or on clothing.
- Fatal or poisonous if swallowed.
- Potential skin sensitizer. Prolonged or frequent skin contact may cause allergic reactions in some individuals.
- Avoid forming aerosols. Avoid the formation of mists in the atmosphere
- Formaldehyde can be released during use of this product. It is recommended that this product not be used in circumstances which would result in formaldehyde air concentrations in the workplace exceeding the exposure levels established by occupational health and safety authorities in your jurisdiction. If values exceed this level, it is recommended that NIOSH approved respiratory protection is worn.
- Wear coveralls over long sleeved shirt and long pants, chemical resistant gloves, socks and chemical resistant footwear during handling.
- Wear respiratory protection device.
- Wear protective eyewear
- Avoid contamination of food.

**FIRST AID:**

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKINCLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control centre or doctor for treatment advice.

2022-08-05

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Probable mucosal damage may contraindicate the use of gastric lavage. Treat symptomatically.

**ENVIRONMENTAL HAZARDS:**

This product is TOXIC to aquatic organisms. Do NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans, or other waters. Do not contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

**DISPOSAL:** Canadian manufacturers should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the manufacturer or the provincial regulatory agency.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
