DIRECTIONS FOR USE:

HOW TO APPLY

Follow illustrations and instructions above.

1. Twist nozzle at end of sprayer to open.
2. Point sprayer away from body and press sprayer button to begin spraying.
3. Pull ring at base of sprayer as needed to continue spraying.
4. Aim at centre of weed and spray to lightly cover.

WHEN TO APPLY

- This product is only effective when applied to the leaves of actively growing weeds. This product will not prevent new weeds - apply only when weeds are present.
- Spray when temperature is below 32°C (90°F).
- Some weeds may require up to 4 weeks for complete kill. Hard to kill weeds may require a repeat application in 3 to 4 weeks.
- DO NOT water within 24 hours after application. Rain within 6 hours after application reduces effectiveness.
- Spray acts within a few days and weeds gradually die. Grass fills in as weeds disappear.

IMPORTANT

- Do not use this product for controlling weeds in vegetable gardens, flower beds or around shrubs or ornamental plants.
- Desirable broadleaf terrestrial plants can be harmed by contact with product spray. DO NOT directly spray or allow the spray to drift onto ornamental plants and trees, fruits, vegetables or exposed roots of trees and ornamentals.
- This product may injure bentgrass.
- Do not apply to newly seeded lawns until after third mowing.
- Do not use on bentgrass varieties (golf greens) and bentgrass lawns.
- This product is designed to target treatment of weedy areas of lawns.
- DO NOT apply to any body of water.

- DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.
- Avoid application of this product when winds are gusty.
- DO NOT apply to driveways, sidewalks or any other hard surface.

CONTAINER USE AND STORAGE DIRECTIONS: [*icon & illustration*]

Follow illustrations and instructions above to ready the sprayer. Twist nozzle at end of sprayer to adjust spray pattern. Point sprayer at unwanted weeds or grasses and press sprayer button to begin spraying. Hold down for continuous spray. Pull ring at sprayer bottom again as needed for additional spraying. Completely dispense product in sprayer prior to storage. Twist sprayer nozzle to the OFF position. [Close spout on cap./Flip down spout on cap./Flip spout down to the "flat" position to close./Twist [spout/knob] to "OFF"./Push spout down.] NO NEED TO DISCONNECT SPRAYER HOSE FROM CAP. Place sprayer back in side carrier on bottle with the nozzle facing down. Store this product in its original container in a secure area away from children and pets. Do not put into food or drink containers. Avoid contamination of feed and foodstuffs. Store in a cool, dry place, preferably in a locked storage area. Protect container from freezing.

REUSE AND REFILL INSTRUCTIONS:

1. Refill ONLY with Killex® Lawn Weed Control Concentrate following the directions in #3 below. Do not use this container for other products.
2. For refilling, remove the entire pumping mechanism. Prepare Killex® Lawn Weed Control Concentrate carefully following refill instructions below:
3. **Killex® Lawn Weed Control Concentrate, PCP# 27801:**
 - a) Measure 30 mL (2 tbsp) of Killex concentrate into the empty container.
 - b) Add 5 litres (1.33 gallon) of clean water to container.
 - c) Follow "Application Directions".

DISPOSAL: [*icon & illustration*]

Wrap and dispose empty container with household garbage. DO NOT reuse empty container except to refill in accordance with refill instructions. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.

PRECAUTIONS: [*icon*]

KEEP OUT OF REACH OF CHILDREN. Do not store near seeds, fertilizers, insecticides or fungicides. Keep from freezing. Avoid contact with eyes, skin and clothing. Store in original container in a dry, secured storage area. Keep container tightly closed when not in use.

Protective Clothing:

- Wear long-sleeved shirt, long pants, socks, shoes and chemical-resistant gloves.

Operator Use Precautions:

- Wash hands before eating, drinking, using tobacco or using the toilet.
- After treating, wash thoroughly.
- If pesticide penetrates clothing, remove immediately; then wash contaminated skin thoroughly and shower. Launder contaminated clothing separately before reuse.

Re-entry Interval for Turf:

- Do not allow people (other than the applicator) or pets on the treatment area during application.
- Do not enter treated areas until spray has thoroughly dried.

ENVIRONMENTAL HAZARDS:

TOXIC to aquatic organisms and non-target terrestrial plants. Toxic to birds and small wild mammals.

FIRST AID:[ICON]

If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If in eyes**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If swallowed**, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
