456 East Main Street  
Pine Level, NC 27568-0310 USA

Product Inquiries: 919-789-0306

**PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.**

May cause sensitization. Avoid contact with eyes, skin or clothing. Avoid inhaling/breathing dusts. Wear a long-sleeved shirt, long pants, shoes plus socks, water-proof gloves and a NIOSH approved respirator with any N-95, R-95, P-95 or HE filter for biological products when handling, and during all clean-up and repair activities. Remove contaminated clothing and wash before reuse. Follow manufacturer's instructions for cleaning/maintaining personal protective equipment (PPE). Keep and wash PPE separately from other laundry. Wash skin thoroughly with soap and water after handling.

**USER SAFETY RECOMMENDATIONS:**

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using toilet.
- Remove clothing immediately if pesticide gets under clothing and onto skin. Wash skin thoroughly and put on clean clothing.
- Remove personal protective equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

**ENVIRONMENTAL PRECAUTIONS:**

Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, sewers or other waters. Contact the appropriate municipal or provincial authorities for instructions on discharge of effluents.

**FIRST AID:**

If swallowed: Rinse mouth and throat with copious amounts of water. Do not induce vomiting.

If on skin/clothing: Take off contaminated clothing. Wash with plenty of soap and water.

If inhaled: Move to fresh air.

If in eyes: Hold eye open and rinse slowly and gently with water. Remove contact lenses, if present, then continue rinsing eye.

General: Seek medical attention immediately if irritation or signs of toxicity occur and persist or is severe. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**DIRECTIONS FOR USE:**

To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

**STORAGE:** Store in a cool, dry place. Do not store at temperatures exceeding 27°C. Do not contaminate water, food, or feed by storage and disposal.

**DISPOSAL:** Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and the cleanup of spills, contact the provincial regulatory agency or the manufacturer.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
