DANGER - CORROSIVE

PREVENT ACCES BY UNAUTHORIZED PERSONNEL.

DO NOT GET IN EYES OR ON SKIN. Causes irreversible eye damage. Harmful if absorbed through the skin. Do not get in eyes or on clothing. Applicators and handlers must wear protective eyewear (goggles, face shield or safety glasses), water-proof gloves, a long-sleeved shirt, long pants, and footwear plus socks. Follow manufacturer's instructions for cleaning/maintaining personal protective equipment. If no instructions exist for washables, use detergent and hot water. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before re-use. Do not contaminate water, food or feed.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 -20 minutes. Call poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF INGESTED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label, or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in original container in a cool dry area.

CONTAINER DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and information on clean-up of spills, contact the manufacturer or the provincial regulatory agency.

DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
