### DIRECTIONS FOR USE: **FOR USE AGAINST AGGRESSIVE DOGS AND COYOTES ONLY.**

When threatened by a dog or coyote, with the index finger slide RED safety tab to the UNLOCK position {*Flip up top, press down*}. Point nozzle directly towards dog's/coyote's face. Depress spray mechanism. A liquid stream will fire to a maximum range of 3 meters. Move away to avoid exposure to spray. Canister contains approximately 40 bursts of spray, ½ to 1 second per burst.

FOR OUTDOOR USE ONLY. Capsaicin sprays have been proven effective in repelling aggressive dogs and coyotes only when sprayed directly into the face, especially in the eyes or on the nose of the animal. This product is only to be used to deter aggressive dogs and coyotes that are attacking or about to attack people. **DO NOT** seek out encounters with dogs or coyotes. There is no guaranteed method of responding to an aggressive dogs or coyotes encounter because each encounter is unique. This product is a dog and coyote attack repellent that may protect users in some unexpected confrontations with these animals but may not be effective in all situations or prevent all injuries. This product must be used only as a last resort. **DO NOT** use this product against people or non-target animals. **READ THIS ENTIRE LABEL BEFORE TAKING THIS PRODUCT INTO AREAS WHERE AGGRESSIVE DOGS OR COYOTES MIGHT BE ENCOUNTERED. DO NOT** apply to any body of water.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Severe irritation to nose, respiratory and skin areas can occur. Wash hands before touching eyes or face and prior to using the washroom. Persons with respiratory problems or wearing contact lenses should not use this product. When traveling, do not store in passenger compartment. Contact air carriers concerning air transport. Contents under pressure. Do not puncture canister or expose to temperatures above 50°C. Do not leave in hot vehicle or direct sunlight. **Do not** spray this product on objects or humans

DISPOSAL: DO NOT INCINERATE. When container is empty, press spray mechanism to release all pressure. Dispose of empty container in household garbage.

FIRST AID: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

CHEMICAL EMERGENCY: 1-800-535-5053
