DIRECTIONS:

METAM FLUID 510 g/L manufacturing concentrate is registered for manufacturing purposes only. This concentrate may be used in the formulation of:

1. Fumigant solutions for the control of weeds, fungi and nematodes in soil of ornamental, food and fiber crops.
2. Fumigant solutions for controlling decay and insects in wood.
3. Anti-microbial agents.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN AND UNAUTHORIZED PERSONNEL.

Avoid contact with eyes, skin and clothing. Harmful if swallowed. May cause eye or skin irritation. Do not inhale vapours. Wash well immediately after handling and before eating, drinking and smoking. Wash contaminated clothing with soap and hot water before re-use. Do not wear contaminated shoes. Wear protective clothing.

Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of waste.

FIRST AID INSTRUCTIONS:

IN CASE OF EYE CONTACT: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IN CASE OF SKIN OR CLOTHING CONTACT: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

A special antidote does not exist. Treat symptomatically.

STORAGE:

1. Store in cool, dry, ventilated area, away from seeds, fertilizers, insecticides, fungicides, herbicides or other biocides.
2. Keep away from heat, fire and sparks.
3. Store in tightly closed original container. Do not store below 0°C.

DECONTAMINATION AND DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

In case of fire, use water, water fog, foam, CO₂ or dry chemical extinguishing media. Prevent water used in fire fighting from entering public water supplies.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
