PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Corrosive to eyes and skin. Fatal if swallowed. Do not swallow. Contains METHANOL which may cause blindness if swallowed. Potential skin sensitizer. Do not get in eyes, on skin or on clothing. Avoid contamination of food.

Do not inhale aerosols or vapours. Use only in well ventilated areas. Formaldehyde can be released during use of this product. It is recommended that this product not be used in circumstances that would result in formaldehyde air concentrations in the workplace exceeding the exposure levels established by occupational health and safety authorities in your jurisdiction. If values exceed this level, it is recommended that NIOSH approved respiratory protection be worn

Wear goggles or a face shield, chemical-resistant gloves, long pants, a long sleeved-shirt, shoes and socks during mixing/loading, clean up and repair. Users should remove clothing/protective equipment immediately if pesticide comes in contact with skin through soaked clothing or spills. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Then wash skin thoroughly and put on clean clothing and required protective equipment prior to resuming your previous work activity. Users should wash hands and face after use and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If inhaled,** move person to fresh air. If person is not breathing, call 911 or an

ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If swallowed,** call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by

mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Probable mucosal damage may contraindicate the use of gastric lavage. This product may produce a sensitization response or allergic reaction in some individuals. Treat symptomatically.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. Keep away from heat and flame.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

DIRECTIONS FOR USE

Oilfield Applications:

Use at 100 ppm active ingredient based on water content of oil and gas field water systems until bacterial control is achieved. Inject at a point that will ensure uniform mixing.

Maintenance dosage: 10-25 ppm.

STORAGE AND DISPOSAL

STORAGE: Store away from oxidizing materials, heat and sources of ignition, and food and food containers. Avoid contact with metals.

DISPOSAL:

1. Triple- or pressure rinse the empty container and add the rinsings to treatment site.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product, contact the provincial regulatory agency or the manufacturer. Contact the provincial regulatory agency and the manufacturer in case of a spill and for clean-up of spills.

For Returnable and Refillable Containers (bulk containers)

1. Do not reuse this container for any purpose. For disposal, this empty container may be returned to the point of purchase (distributor/dealer).
2. For disposal, this container may be returned to the point of purchase (distributor/dealer). It must be refilled by the distributor/dealer with the same product. Do not reuse this container for any other purpose.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. The requirements of applicable laws should be determined before using the product.
