<<optional wording>>

Raid Defence System  
Helps you work smarter, not harder, to fight bugs.  
Visit [raid.ca](http://raid.ca) to identify your bug and best treatment plan.

**TIPS:** Store ant-attractive foods in plastic containers with lids that snap tight. Keep kitchen countertops clean. Sweep or vacuum the floor often, especially around pet dishes. Empty kitchen garbage containers often. Repair and seal as many visible cracks in the foundation and exterior walls of your house as possible. Indoors, caulk along baseboards, cracks and crevices to keep the ants from passing through your house.

**Use THIS product to: Kill (bugs) at the source:** Use Raid® Outdoor Ant Spikes to control outdoor ant problems around your home. (Worker ants find the bait and carry it back to the nest to kill others.) (Kills the ants you see, kills the ants you don't see!) (Kills ants where they live and breed.)

**Use OTHER Raid products to: Kill (bugs) on Contact:** To kill (outdoor) (ants) on contact, use Raid Outdoor Ant Nest Destroyer 2 in ant hills, cracks and crevices in driveways, sidewalks or interlocking bricks (where ants are found).

Control for up to 3 months  
Quick and easy to apply outdoor ant control around your home  
Easy to use  
Will not harm lawn(s) (and/or) (flowerbeds) (ornamental) (potted) (plants).  
Controls outdoor ant problems around your home.  
Kills outdoor ants around your home.  
Effective way to kill outdoor ants around your home.  
Effective way to kill ants outside your home.  
Kills ants where they (live) (and) (breed)  
Kills even hidden ants  
Kills the ants you see, kills the ants you don't see  
Designed to stay put where placed!  
Child Resistant  
Weather Resistant  
Kills a variety of household ants.  
Contains Abamectin, that keeps killing ants for up to three months.  
No harsh chemical odour

Ants are attracted to the bait in Raid® Outdoor Ant Spikes and carry the bait back to the nest.

Raid® Outdoor Ant Spikes kill ants where they breed, helping to rid your yard of ants for up to three months. Raid® Outdoor Ant Spikes may be placed anywhere you've seen ants outdoors.

Raid® Outdoor Ant Spikes contains Abamectin, a special formula to kill ants outdoors. Worker ants find the bait and carry it back to the nest to kill others. Control of larger colonies or infestations may take a week or longer.

<<end of optional wording>>

<<secondary panel, outer container>>

For maximum effectiveness, use all 6 Raid® Outdoor Ant Spikes at one time and replace every three months.

**DIRECTIONS FOR USE:**

1. Remove Raid® Outdoor Ant Spikes from outer packaging
2. Insert spikes into area to be treated by pushing firmly in ground with your hand until the bottom of the bait station contacts the ground. DO NOT use your foot or a tool to place in ground. Do not place near sprinkler heads. Do not place directly in ant mounds.
3. Place spikes on either side of door entrances, next to patio areas, along the foundation of your house, garage, next to ant mounds, in your garden, in your flower beds, ornamentals or potted plants or anywhere you have seen ants. Place remaining spikes in other areas around the outside of the house where you see ants.

4. Use all 6 spikes at one time. For heavy infestations of ants or larger areas, we recommend that additional Raid® Outdoor Ant Spikes be purchased and placed at intervals of 1.5 – 2.5 metres.
5. Place only in areas inaccessible to children, and pets.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Do not remove bait from station. Avoid contamination of food and feed.

**ENVIRONMENTAL HAZARDS:** TOXIC to bees, birds, small wild mammals, and aquatic organisms. DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by disposal of waste.

**FIRST AID:** If **swallowed**, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**DISPOSAL:** DO NOT reuse empty container. Dispose in household garbage.
