READ THE LABEL BEFORE USING

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Secondary Display Panel:

DIRECTIONS FOR USE

To be used in the manufacture of a rodenticide which is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Avoid breathing dust. Always wash hands after handling bait. Wash hands before eating, drinking, chewing gum, using tobacco or the toilet.

PROTECTIVE CLOTHING AND EQUIPMENT

Use chemical workers' goggles, dust mask, and wear clean body-covering clothing.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

Get medical attention immediately for any toxic reaction or irritation that persists or is severe.

If in eyes

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin

Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor immediately for treatment advice.

If swallowed

Call a poison control centre or doctor immediately for treatment advice.

Have

person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

TOXICOLOGICAL INFORMATION

Corn cob fractions are considered a nuisance dust. Treat symptomatically.

STORAGE

Keep in original container during storage. Store in a cool, dry well ventilated place away from seed, feed, fertilizers or other pesticides. Do not contaminate water, food or feed by storage or disposal.

DISPOSAL

1. Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations.
2. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
