**Nufarm Mecoprop-P Technical Acid** is registered for manufacturing purposes only. Formulations made from this concentrate may have different properties and uses. Therefore, formulators and manufacturers should develop their own use and precautionary labeling based on their own finished formulated products and in accordance with all pertinent laws and regulations.

**DIRECTIONS FOR USE:**

To be used only in the manufacture of a herbicide which is registered under the *PEST CONTROL PRODUCTS ACT*, or a fertilizer-pesticide registered under the *FERTILIZERS ACT*.

**LIMITATION:**

Do not apply directly as is to crops.

**PRECAUTIONS:**

**PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.**

Avoid contact with eyes, skin and clothing. Harmful if swallowed. May cause eye or skin irritation. Do not inhale vapours. Wash well after handling and before eating, drinking or smoking. Wash contaminated clothing with soap and hot water before reuse. Do not wear contaminated shoes.

Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

**STORAGE:**

1. Keep in original container during storage.
2. Store product in cool, dry, well ventilated place away from seed, fertilizer or other pesticides.
3. Keep away from fire, open flame, or other sources of heat.
4. Keep free from moisture in tightly sealed container.

**FIRST AID:**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you, when seeking medical attention.

**TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

**DECONTAMINATION AND DISPOSAL:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust or sand.

Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

Crush, break or puncture empty containers and deliver to sanitary land fill dumps in accordance with municipal requirements. Do not re-use containers. Clean equipment thoroughly after use.

If involved in fire, use water fog, foam, CO<sub>2</sub>, or dry chemical extinguishing media. Noxious fumes may be produced under fire conditions; wear self-contained breathing apparatus. Prevent water used in fire fighting from entering public water supplies.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
