**PRECAUTIONS:****PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

Symptoms: Eye, skin or respiratory mucous membrane irritation. May be harmful if swallowed or cause nausea and vomiting. Avoid inhalation of dust. Avoid contact with skin and eyes.

**FIRST AID:**

In case of contact with eyes: Flush with plenty of water and get medical attention immediately. In case of contact with skin: Wash with plenty of water immediately. In case of inhalation: Remove to fresh air immediately, give oxygen and artificial respiration, if necessary. If ingested: Drink water and get medical attention or contact a poison control center immediately. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

**DISPOSAL:**

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. Contact the manufacturer and provincial regulatory agency in case of a spill, and for clean-up of spills.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
