**DIRECTIONS FOR USE:**

To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

**PRECAUTIONS: KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL.**

May cause sensitization. Avoid contact with eyes, skin or clothing. Wear a long-sleeved shirt, long pants, shoes plus socks, and water-proof gloves when handling, mixing/loading or applying the product, and during all clean-up and repair activities. Wash exposed areas of skin thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**DO NOT** contaminate water by cleaning equipment or disposing of equipment washwaters.

**FIRST AID:**

**IF SWALLOWED:** Rinse mouth and throat with plenty of water.

**IF ON SKIN/CLOTHING:** Take off contaminated clothing. Wash exposed skin with plenty of soap and water.

**IF INHALED:** Move to fresh air.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water. Remove contact lenses, if present, then continue rinsing eye.

**GENERAL: IMMEDIATELY** seek medical attention if irritation or signs of toxicity occur and persist or are severe.

Take the container label or the product name and pest control product registration number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**STORAGE:** The product must be kept frozen and stored at temperatures of less than -20°C. The product is stable at -20°C for 12-18 months. Bags that are open are recommended to be tightly closed, in order to avoid contact with oxygen and moisture.

**DISPOSAL:** Canadian formulators using this product should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Product Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
