<<secondary panel>>

OFF![®] familycare Botanical's unique formula is based on an ingredient with insect repellent properties found in the lemon eucalyptus plant. OFF![®] familycare Botanicals is effective, dependable protection that feels great on - not sticky or greasy. Effectively repels mosquitoes for up to 2 hours and black flies for up to 5 hours. Plant Based Repellent.** DEET Free.

**Active ingredient chemically synthesized from pine oil extract

ACTIVE INGREDIENT: p-Menthane-3,8-Diol 10.0%

*cis/trans isomer ratio: min. 60% (+/-) cis and max. 40% (+/-) trans

Contains methyl and propyl paraben each at 0.1% and diazolidinyl urea at 0.2% as preservatives.

DIRECTIONS FOR USE:

For best results, apply a thin uniform layer over all exposed skin. Apply to hand for application to face and neck and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children. Apply sparingly, not under clothing and only when necessary. For continued protection from mosquitoes re-apply after 2 hours or for black flies, re-apply after 5 hours. Earlier re-application may be necessary after swimming, perspiration, vigorous activity or toweling. Do not apply more than two times per day. (After returning indoors, wash treated skin with soap and water.)

PRECAUTIONS:

May cause eye irritation. Avoid contact with eyes and mouth. Do not apply more than 2 times per day. Do not use on children under 3 years of age. Apply with caution to small children. Do not allow use by children without close adult supervision. Do not apply to excessively sunburned or damaged skin.

FIRST AID:

If swallowed, call a poison control centre or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If in eye**, hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If skin irritation develops, consult physician. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL:

Do not re-use empty container. Wrap and discard empty container in household garbage.
